Letter from Director

Hello Alcona County,

Welcome to our new Alcona County Commission on Aging/ Sunrise Side Community Fitness complex. We are so happy to be moved into our new building. I would like to personally thank all that helped with the move and helped prepare for our Open House. We had a lot taking place in a week's time. The
Open House was a huge success. If you have not toured the new center please stop in for a tour, we would love to show you around.
We are in the process of taking memberships for the new community center. I will add the membership fees to this newsletter. Memberships will start to take place on August 1. Please stop in and fill out your waiver and membership agreement. If you have any membership questions, please call 989-736-8879.
Alcona Music Project is hosting their annual fundraiser event here at the ACCOA on Saturday, August 2 starting at 3:00 pm. Come out and enjoy some music and mingling.
We will continue to have our congregate dinners from 4 pm – 5pm Monday through Thursday. Meals are available to all ages. If you are 60+ it is a $4.50 suggested donation. If you are under 60 it is a rate of $8.00 per meal. Donations are appreciated to help keep our programs running here at ACCOA.
We have some great opportunities in the works for our kitchen, please bear with us as we get up and running. We will be making a lot of changes over the next several months to help accommodate our seniors and the community of Alcona County. Our gym hours will be limited for a time until we are able to get fully staffed.
At this time, I would like to say thank you to members of our community who have volunteered their time to keep the fitness area open Monday through Friday until 7 pm. If you are interested in volunteering, please stop in and fill out a volunteer application.
As always, my door is always open to suggestions as we move forward to make this center a place for seniors and all members of Alcona County to come and enjoy. Thank you so much to all the people who
have taken the opportunity to enjoy the center already, we look forward to your continued support.
Thank You,
Wendy Bain
Executive Director

AUGUST 26TH -CELEBRATING WOMEN'S EQUALITY

THE HISTORY OF *Women's Equality Day*

One hundred years ago in the month of August, the United States Congress ratified the 19th Amendment to the Constitution of the United States of America, granting women the right to vote. However, women of color were excluded and denied this core pillar of our democracy until August 6, 1965 with the passage of the Voting Rights Act.

At the behest of Rep. Bella Abzug, in 1971 (and passed in 1973), the U.S. Congress designated August 26th as **"Women's Equality Day."** The women of our nation have united to assure that these rights and privileges are available to all citizens equally.

REFLEXOLOGY
~ 60 min - $50
Reflexology uses gentle pressure on specific points along your feet (and possibly on your hands or ears as well) to help you feel better. The benefits of reflexology include its ability to stimulate nerve function, increase energy, boost circulation, induce a deep state of relaxation, eliminate toxins, stimulate the central nervous system, prevent migraines, clean up urinary tract conditions, speed-up recovery after injury or surgery, help relieve sleep, and that helps your body work better. It's also known as zone therapy.

REFLEXOGY *PLUS*
~ 75 min - $65
Finish your 60 Reflexology appointment with an Exfoliating Foot Scrub and nourishing lotion application to revitalize and protect your skin with aromatherapy benefits:

Choose from:
~ *Grapefruit* - Boost Circulation and reduces inflammation. Works as a natural energizer and mood booster.
~ *Peppermint* - Relieves muscle and joint pain. Great for colds, sinus and has other respiratory benefits. Increases energy. Improves skin health as well.
~ *Lavender* - Relaxing, Calming and Peaceful. Great for mind and body functions. Aids in better sleep. Lowers inflammation. Speeds in healing. Reduces pain.
~ *CBD* - Diminish tension, pain and chromic ailments with non-psychoactive hemp derived CBD while exfoliation and hydrating. ***(add $10)***

The soles of our feet have much larger pores than the rest of our body. This means they act a little like sponge, soaking up the healthy-giving compounds in the oils and quickly feeding them into our bloodstream.

According to the ancient practice of reflexology, every nerve line in the body ends in your feet. Specialists in reflexology consider that certain areas of the feet correspond to the body's organs. Thus by applying essential oils to your feet, it's possible that these oils may have a stronger, more beneficial effect on certain areas of the body.

SERIES OF REFLEXOLOGY SESSIONS
(one person only, not to be shared)
~ Three - 60 minute reflexology sessions for $135
~ Six - 60 minute massages for $270

Reflexology is not just a "foot rub;" it's a loud and persistent invitation for the Body to return to Wholeness.

The dog days or dog days of summer are the hot, sultry days of summer. They were historically the period following the heliacal rising of the star system Sirius (known colloquially as the "Dog Star"), which Hellenistic astrology connected with heat, drought, sudden thunderstorms, lethargy, fever, mad dogs, and bad luck. They are now taken to be the hottest, most uncomfortable part of summer in the Northern Hemisphere.

August is known as the last month of summer in the Northern Hemisphere, often associated with hot weather, vacations, and the end of summer break for students. It's also known for the "Dog Days of Summer" and the start of the "Cat Nights".
